~~April 27th-May 1st - STAR testing dates

**Reminder:** If your child is absent please call the school or send a note to let us know why they were absent  
- -Thanks !

## February Students of the month

February's Students of the month were: **Amanda & Kamiya**. Also, congratulations to those who got Model Student Certificates this last month.

## Our 100th Day of School

Kasylee, Jonathan, and Victoria show off their great 100 day projects to the class. We had quite a few great projects. We also did a lot of work with measuring and weighing 100 objects.

This month we will be focusing a lot of our time on reading groups and our writing. All students have shown improvement in both areas but now is the time to really start to focus on the skills. It is very important that each student reads every night. This practice and help from you as parents is **VERY** important in helping them continue to grow in their ability to read more fluently.

Each month I send home book orders. These are a great way to build their own library of books in their grade level. Have your child work for, or save their money so they can enjoy a new book once a month. Reading is important and will benefit them the rest of their lives.

**PRACTICE, PRACTICE, PRACTICE**

## *There are some dumb criminals*

A motorist was unknowingly caught in an automated speed trap that measured his speed using radar and photographed his car. He later received in the mail a ticket for \$40 and a photo of his car. Instead of payment, he sent the police department a photograph of \$40. Several days later, he received a letter from the police that contained another picture... of handcuffs. The motorist promptly sent the money for the fine.
