-- Oct. 27th - District Writing Assessment

Reminder: If your child is absent please call the school or send a note to let us know why they were absent --Thanks !

One way to cool off

September ~ In The Classroom

This month we will be working on strengthening our reading abilities by doing lots and lots of practice. We will also be writing stories with more details. We want to make our “hamburger stories” really juicy! In math we will be practicing our addition facts so we can do as many math problems in 5 minutes as possible. We will also be

studying the seven different continents and the oceans of the world as part of our socials studies unit. In Science we will be starting simple machines.

Please collect Box Tops for Education coupons found on General Mills foods. Our class can win a pizza party at the end of the year if we have collected the most. Saving these will help the PTA raise money for special events at our school. Bring them in anytime.

THE WEDDING

A little boy was in a relative's wedding. As he was coming down the aisle, he would take two steps, stop and turn to the crowd alternating between the bride's side and the groom's side). While facing the crowd, he would put his hands up like claws and roar. So it went: Step, step, ROAR, step, step, ROAR, all the way down the aisle. As you can imagine, the crowd was near tears from laughing so hard by the time he reached the pulpit. The little boy, however, was getting more and more distressed from all the laughing, and was also near tears by the time he reached the pulpit. When asked what he was doing, the child sniffed and said, "I was being the Ring Bear!"
