Reminder: If your child is absent please call the school or send a note to let us know why they were absent --Thanks !

THE WEDDING

A little boy was in a relative's wedding. As he was coming down the aisle, he would take two steps, stop and turn to the crowd alternating between the bride's side and the groom's side). While facing the crowd, he would put his hands up like claws and roar. So it went: Step, step, ROAR, step, step, ROAR, all the way down the aisle. As you can imagine, the crowd was near tears from laughing so hard by the time he reached the pulpit. The little boy, however, was getting more and more distressed from all the laughing, and was also near tears by the time he reached the pulpit. When asked what he was doing, the child sniffed and said, "I was being the Ring Bear!"

September - In The Classroom

This month we will be working on strengthening our reading abilities by doing lots and lots of practice. We will also be writing stories with more details by describing "The Best Part Of Me". In math we will practicing our addition and subtraction facts and starting multiplication. We will also be starting our study of energy and matter.

States of Matter

SOLID

LIQUID

GAS

PLASMA

In language arts we are working on our SMART goals. Each week we pick one of the 3rd grade standards and make it our focus of learning. Each Friday we will have a quiz on what we have learned. Check our calendar page for our weekly topic we will be studying.

Please collect Box Tops for Education coupons found on General Mills foods. Our class can win a pizza party at the end of the year if we have collected the most. Saving these will help the PTA raise money for special events at our school. Bring them in anytime.
