### A Note From Mr. Olson

Here's what to expect in

**JANUARY:** In **MATH:** We will be starting to look at fractions, factors, multiples, and patterns. For **LANGUAGE ARTS** we will be working on the theme of "How can animals influence our writing?" For **SCIENCE** we will be studying Earth science. Our **WRITING** project will be finishing up our expository stories. Our **BOOK REPORT** will be a comic strip theme for a Historical fiction story. Students will need to choose a part of the story and make it into a comic strip. This will be due on February 29th. (Book report packet can be found on our website if needed.)

—Continue to practice multiplication facts for our weekly Friday quiz
